

REQUEST FOR PROPOSAL
Nelson Tasman Connections

1. BACKGROUND

Mayors Taskforce for Jobs is a nation wide initiative aimed at zero waste of New Zealanders. The mayors of both Nelson City Council and Tasman District Council have committed to the Mayors Taskforce for Jobs initiative. Further information on the Mayors Taskforce for Jobs can be found on www.jobslatter.org.nz/mtfjobs.

To implement the Mayors Taskforce for Jobs locally, a Steering Group has been established chaired by Paul Matheson, Mayor of Nelson. Called "Nelson Tasman Connections", the initiative has the intention that:

"By 2007 all under 20 year olds will be engaged in appropriate education, training, work or other options which will lead to long term economic independence and well-being."

2. NELSON TASMAN CONNECTIONS

The initiative has three key focus areas. These are:

Focus Area One: Developing an integrated, accessible and collaborative set of services for young people.

Focus Area Two: Establishing a mechanism to coordinate the assessment of and responses for young people and their families

Focus Area Three: Improving central and local government funding arrangements with providers that deliver a range of services for youth in Nelson and Tasman.

This focus area is being managed by the Ministry of Social Development.

Detailed explanations of each focus area are in the attached report

Proposals are requested from individuals or organisations to develop and implement focus areas one and two of this initiative for the period, December 2003 to January 2005.
